And Now The Top Three Songs As Voted By YOU!

3. God Only Knows – Beach Boys (1966) It was the flip side of “Wouldn't It Be Nice” and only peaked at #39, but it's grown in stature since then to become one of the group's most beloved songs. It dropped DOWN this year, falling from #2 last year. It totally missed our list three times.

2.*Hey Jude – Beatles (1968) Widely recognized as the biggest song of the 1960s if not of all-time, this has topped our chart an incredible 24 out of 26 times, clearly making it the overall king of this Top 77 list. 24 times #1. Two times #2. Wow!

1.*(I Can't Get No) Satisfaction – Rolling Stones (1965) The ballot-stuffers who were trying to make this #1 this year were out in force and even though those votes were deemed invalid and were cancelled this year, there were still enough LEGITIMATE votes to push this to #1, likely on the heels of the Stones' touring and new LP. The song has made the list every year. It finished in the top five twenty-two times and at #2 eight times. Although it's a surprise #1 this year, it still has a way to go to match “Hey Jude”.

From #77 to #1...those were the “Best of the Best” as YOU voted for them...

So now, in order from top to bottom, here are the rest of the songs you voted for...from the most well-known...to the hardly recognizable, from the classics to the wackiest, from the predictable to the VERY unpredictable...

The Top 77, as you voted for it!

Once again, thanks to Frank Thomas for his help as technical director, making the tech side of this better and better every year. Frank's a key part of this tradition and "invaluable" is the only word I can think of in describing Frank's help.

Thanks to Allan Sniffen for his support of this project and for making the Top 77 come alive every year on Rewound Radio.

And a special thanks to all who helped The Top 77 grow and develop in the past...Tom Natoli, Craig Harris, Chad Olszyk, John Troll, Bob Radil and others for their help.

And to the late Bob Shannon for his help and advice in launching the Oldies Board.

Your response, excitement and enthusiasm is what keeps ALL of us going...The comments below that came in from just SOME you this year say it all! Enjoy reading the reason... "why" we keep doing this project every year!

To all of you who took the time to give us your thoughts on the Top 77...Thank you!

Cool! Just discovered you.

Hi Mike. I changed it up a little this year. I would love this to be expanded maybe everyone's top 20 or better yet everyone's top 77 favorite songs. So many good songs I wish I could vote for. I love the 70s but don't have any on my list. I actually listen to 70s music more than 50s music. My number 10 is a favorite that should have been a bigger hit. Voting for it so it gets played on rewind radio between the holidays. Thanks for your moderation of the oldies message board.

can not wait for this years top 77 of all time. Lets hope Hey Jude does not make #1 again for the 1 billionth time. Anyway I look forward to the top 77. Thanks!

When there are many song you really love, it's hard to say you really like #1 better than #10. Tomorrow the order could be reversed.

I'm once again looking forward to hearing the results. Thanks for making the voting process so easy.

Thanks for conducting this survey every year.

You ROCK!

11/23/2023 Thank you for playing the best music of all time .

Many of these songs have made MY list for this purpose for over 15 years. There are usually a few changes, but these songs are STUCK in my sub-conscious mind for decades. It's likely they never will leave me. This is always fun to do a TRUE top-ten list of faves. BE B!G Jay

Thanks for helping us relive some great memories!! You guys do a AWESOME job!!!

I've voted every year. Wish I could submit a top 100 song list, there are so many that I love.

only 10, how about my top 100

Thank you again. I know this is a lot of work.

11/10/2023 Love the doo wops and oldies.

Thank you Mike and Allan for doing the Top 77 every year. Reminds me of listening to WABC between Christmas and New Year's.

Always a great week to hear the Top 77 and many more. You guys do a great job for our entertainment. Thank you so much. There are many songs that have now been turned into stereo if you can get them. Eric Records has many releases. Check them out and try to play more stereo this year. They sound amazing.

Thanks again Allan !!

I know this survey is about individual songs, but once I got going it became a set of songs conveying a theme. You can probably figure it out. But still I'll let it stand as my most popular songs in order.

Love Rewound Radio. Thanks for your efforts and to Mike and the team for the Top 77 every year. Cheers

Thanks so much for all your hard work and time spent to make this better and better every year!

As always, impossible to narrow it down to only ten songs but that's what makes it fun. I heard Mike mention last year how he isn't quite sure why "Wichita Lineman" performs so well. It's all subjective, of course, but a Google search of "great songs Wichita Lineman" returns many hits. Beautiful lyrics, wonderful performance by Glen Campbell. I also wanted to note how great Rewound Radio sounded when I streamed it in the car. Many thanks to Mike and Allan for their tremendous work. Much appreciated.

Keep Rockin'!

Always fun to see this list!

I look forward to this every year and with the improved audio quality, this should be the best presentation yet.

Only discovered Rewound a few months ago, but I'm loving it.

11/13/2023 Will be listening

11/18/2023 Love the station!

11/18/2023 Thanks again for keeping this tradition alive. I do some part time DJ work for WBLQ AM FM out of Westerly, RI. Our show on Saturday is called "The Time Machine" and features songs from the 50's, 60's and 70's. The notes you generate on top songs is very helpful to me as I prepare my Saturday shows. Keep up the great work!!

This is a great holiday tradition! We can't wait for the countdown!!

Thanks for your hard work on this.

Look forward every year to the final results. The voters are the music historians.

Thank you so much again for organizing this survey! It's a pleasure to vote along with other professionals in our industry who know this music and appreciate the talented artists of these years!

Voting for my favorite songs is always fun.

This is so much fun every year!!!

I Always Enjoy The TOP 77 OF ALL TIME. Along With The DJ HALL OF FAME. JINGLES AND MORE WITH JOHN WOFELT. WABC REWOUND. THE DAN IMGRAM ELECTRIC RADIO THEATER. SOMETIME: WOR REWOUND. AND OF COURSE, THE EVER SUCCESSFUL, WLS AND WCFL REWOUND. ALONG WITH THE SPECIAL TRIBUTES TO DICK BIONDI BACK IN JULY. AND LARRY LUJACK BACK THIS PAST NOVEMBER. CAN'T WAIT TO HEAR MY 10 MOST REQUESTED SONGS OF ALL TIME. LIKE YOU SAID, AND IT'S TRUE. IT NOT HOW OLD IT IS, IT HOW GOOD IT IS! KEEP ON ROCKING AND ROLLING WITH REWOUND RADIO!

Rewound Radio Number One on my dial

Top 77 reminds me of listening to top 100 every year on my 6 transistor 9 volt radio.

THANKS! A Blessed Christmas

As always, appreciate your doing this!

Thanks for providing and compiling this poll each year, lots of fun!

11/06/2023 Thank you again for all the work you do on this annual project!

11/20/2023 Hello Mike, please see my separate email detailing my votes for #3 Thru #10.

Well done for running the ONLY chart that really counts!!

Great job thanks again

thank you for another year of putting this together

Thank you Mike.

Thanks, Mike, for all your hard work!

Thanks again for doing this.

This is the only survey I look forward to.

A very different list this year.

Keep On Rockin"!!

I have a personal Top 1000. Last year I sent the top 10. To spread things out, I am sending the second ten this year.

Elvis The King

Results a few different of years before.

I sure miss the great days of WLS and Super CFL! I listened most every afternoon on my paper route on my Panasonic Transistor Radio. I loved everyone at WLS, but Larry Lujack and Tommy Edwards were my favorites! Animal Stories were some of the best! Thanks for the great memories! You're the best! Those were the best of days to listen to AM radio! Such super stations with great personalities! I'm sorry and sad music and radio changed. The 60's thru the mid 80's were the best. Guess that's why I listen to Sirius XM radio 60's and 70's today. People today will never know what they missed! Thank you everyone! Love you Tommy Edwards, Fred Winston, and John "Records" Landecker!

I listened to 77WABC from the 60's to the "The Day The Music Died". I was living in Stepney and Botsford Connecticut back then. I have now been in up state NY since 2001. I just found out that you guys brought Cousin Brucie back. I'm so happy even though I can only listen to him now. Many great memories of all the old guys. The greatest radio station in the world. I'll always remember you. Thank you.

It occurred to me that I have never voted with the specific intention of keeping any one song or artist from reaching Number One on the Top 77. However, I have consistently endeavored to prevent countless millions of tunes from getting into the Top Ten. On that lone charge, I offer the same guilty plea as everyone else who participates. :-) Here's to another fun vote and spectacular year-end playlist, regardless of who ends up on top!

11/09/2023 I wish I could vote for more songs. You do such a great job. Thank You.

Thank you for putting this together, Mike & company.

Thank you for engineering this annual treat and walk down memory lane. "The billionaire week of the million sellers!"

Thanks for doing this. I look forward to it every year

Paul McCartney keeps moving up on list as time goes on. He is now over 80, what a horrible day it will be when he goes.

Ten songs that I turn up the volume on the radio for isn't enough! Thank you for this countdown and enjoy the holidays.

Really enjoy this time of the year and the voting. keep up the good work you do

I love your station and music format. I listen almost everyday.

I love this method of voting and your huge catalog!

Fun poll!

Thanks for putting this together.

I am glad this tradition continues for more than a quarter century.

As always, so appreciative!

Thanks, as always, for doing this and Happy Holidays!

Thanks for doing this, you guys do a great job! Thanks again!

This is so much fun. Brings back a lot of memories living in northern NJ in the 60s, listening to WABC. Thank you for taking the time and energy to do this yearly event! Merry Christmas

THANK YOU AND ALLAN

I could easily have done 20 songs.

love this station and especially the old ads and news reports. It brings back so many great memories.

Love the countdown and show with all the interesting facts. As you can see I love the Beatles Motown and the 5th Dimension

the countdown is great. love the sixties music.

60s Top 40 radio Hands down blows every decade away.

Thanks for all the great work putting this together. Much appreciated!!!

Always fun

Thanks for all the great weekend shows this year! I'm looking forward to the countdown and wish you all a great holiday season!

Thank you. I always look forward to your Top 77 Survey.

Great job. I know you put time & effort in making this possible. Thank you very much for doing it.

I think this show is the greatest thing since bobby socks!!!!

Thanks Allan! We look forward to this each year.

keep up the good work

Thanks again for doing this. I look forward to the survey every year..

Difficult to choose 10, I have so many more that I could add!

11/30/2023can't wait

Hope ta be rockin' out with this!!

kinda like trying to pick who is your favorite child

I like your new (to me) format because it is so much easier to vote with the drop down boxes!

thanks Mike - this was fun!

I'll bet nobody has a funkier list of favorites!

11/07/2023DON'T VOTE FOR Hey Jude!!!

Thanks again Mike and Allan!

This was soooo hard! I love pop music and there are so many songs I wanted to choose. After 3 weeks of making lists, I just popped in some songs. I hope you will publish a playlist.

Thank you so much for adding my songs. I shouldn't have waited till the lady day. Appreciate all your hard work..

You station is the best ever!! Keep playing some lesser hits by big artists

Thanks! It becomes harder every year to pick just 10! I hated to leave out "Hey Jude" but it will just have to make number 1 without me!

John Ross JR here, former air personality at some of these Seattle area stations, KUUU-1590-AM Oldies, KHIT 106.9 FM Oldies with Andy Barber, Jerry Kaye, KUBE-93 First Media with Gary Bryan, KNBQ & KBSG 97.3 Best Oldies Viacom morning drive. Left radio in 1989 after a 28-year run. After Rich Brother Robin RICHBROTORADIO ceased his internet oldies streaming because of the exorbitant royalty fees, there was a HUGE VOID to find something to fill his shoes - and than I discovered Rewound Radio and have enjoyed it IMMENSELY ever since! Love the mix! The other day I heard Patches for the first time in many years. Great stuff, so keep reaching!

Hi Mike ,I hope that you had an enjoyable Thanksgiving Holiday . I appreciate the follow-up reminders about getting my votes in before the deadline . Ironically it was a year ago today ,that I submitted my last year's selections,so I'm right on schedule !

I'm hard pressed to find my top ten. The order might change from day to day but these represent some of the more critically important songs of their period. I LOVE your station! I grew up listening to WABC in the 60's and early 70's.

This is always so much fun for the listeners but a great deal of work for you guys. Thanks so much for all

that you do. We need as much diversion as possible for what is happening now a days. Thanks again and take care!!

I always get to vote every year, although these songs may not be in anyone's top ten, as I had added a couple songs that were not on your list, although I happen to like these songs I grew up with. There are many more that aren't on your list that are very rare that I hope you will add on next time. Here's hoping you play at least one song on this list.

Mike, I say it every year (but it's not enough) - Thank you for the work you do on this, and thanks to Alan too for all he does. You all really make our lives more enjoyable. And tell Alan, time to mix in a few more 70's and 80's songs that fit the format - enjoy hearing France Joli!

Look forward to it every year! Thanks for continuing the tradition.

Nice Job Every Year. Keep Up the Good Work,

looking forward to the Countdown this year!

This is always fun. Since a lot of my all-time favorites are "odd and obscure", I always enjoy paying tribute to them in this survey.

Thanks for doing this these many years.

Just 10? :-)

This time, I thought I'd pick out a favorite from each year in the 1970s. I think my final list is eclectic and enjoyable and hope others will find so as well.

probably should have put more time and thought into this, but looking at my spotify right now, these are the top songs that come to mind. Some are there because they're catchy or whatever, some are there because of the meaning, etc etc. However asking for the top 10 songs of all time is a tough question as it pleads to what makes a song good? How can one say that a song that came out in 2022 is a top 77 song of all time when it hasn't stood the test of time? How can I say that a song by an artist where said song isn't even in their top 10 songs be the best of all time? It's impossible to say, as what about foreign music? Though they might not be in English the meaning could be just as good as an American song. Or what if the best song of all time hasn't even been discovered yet? The criteria is rigorous, and as I'm on my country music grind now, this is the best I can do.

Rewound Radio is the most lively, unpredictable oldies music internet station at its utmost and utmost best, filled with so many great surprises with 1000% total fun!

Thanks for another fun year of the Top 77!!!

Yes indeed...and thank YOU for helping to make this happen!
