And if you wondering why Allan, Frank and I continue with this massive project every year, the answer is “YOU”!

The response, excitement and enthusiasm you show is what keeps ALL of us going...And the comments below that came in from just SOME of the voters this year say it all! Enjoy reading the reason...”why” below! From funny to insightful to heartfelt...

To all of you who took the time to give us your thoughts on the Top 77...Thank you!

Alan Seltzer - Will be shocked if more than four of my songs make your survey. Good luck!

Albert Cofrancesco - As always it's hard to narrow it down to 10. Thanks.

Andy Agree - I try to make my votes meaningful by sticking within the WABC era that we all have in common.

Arneil Dewitt - Hi Mike and the chart guys all. In this second year of the virus I am reminded what John Miles sang in his wonderful long song “Music”.....and in this life of sadness my music gets me through.

Bernadette - Such a fun thing to do.

Big Kev - Thanks for keeping the tradition alive! I grew up in Upstate NY listening to the great music and DJ's on WABC on my transistor radio.

Bill Conklin - Doo Wops are the best music ever.

Bill Dillane - One of the best parts of WABC was the airing of the year's Top 77 between Christmas and New Years. Glad you are continuing the tradition.

Bill Hoffmann -Thanks for having this every year! So much fun!

Bill Hollis - Thanks for doing this every year. Always a great show to listen to. I love hearing songs that I've never heard before also.

Bob Garrabrant - Thanks for all your hard work on this!

Bob Herring - You guys rock! Many thanks for all the fun from a certified music audio nut.

Bob Heussler - Lot of fun, as usual. Could put 100+ songs in there without a problem. Thanks for your great work.

Bob Holzlohner - Love this survey!

Bob Pearlman - I want to thank you Mike and Allan Sniffen for playing the real greatest hits for all time every year.

Bob Sefbodoe - So much to choose from!

Bob Wiggins - This is a tradition for me now, I look forward to listening.

Bobby Valentine - When I lived in NYC 77 WABC was my best friend . I just loved Ron, Dan and Harry.. It made me a better DJ when I moved to Orlando. Just celebrated my 20 years in radio. Thank you and you will always live in my heart...

Brian Johnston - Thanks for keeping this great tradition alive!

Brigitte Schoenbaechler - Can't wait to listen to the countdown!!! Thanks for doing this!!!

Bruce Slutsky - Thanks for continuing to do this all these years.

Calvin Schultz - Just good songs!

Carlo Marinuzzi - Always look forward to the results of this survey, as well as the ones that didn't make it. Great job Mike.

Carol Mason - Thank you so much for doing this! Your hard work and effort is greatly appreciated; especially by those of us in radio who played, admired and shared our love and enthusiasm for most of these songs and artists! This is a great tribute! So many fantastic songs! Again, thank you so very much for all of this!

CHARLES W - This is so great ... a chance to hear a huge stack of fabulous songs all holiday long!

Charlie Tahaney - Thank you for all that you do!

Cheryl Santarelli - This is such a fun time of the year!!! This Countdown Show makes it extra special! Thank you, Allan!!!

Chris Burger - Love the work you guys put into this every year...I love putting this on during that stretch from Christmas Day through New Year's Day...God bless you all.

Chris Stinson - While most of my picks never make the top 50, I still love this annual event.

Colin King - Love the music and REALLY love the polished jingles. It sounds so professional.

Dan Twomey - As always, thanks for doing this.

Danielle - This was great. I had fun trying to limit my choices to only 10...lol. ;)

Dave Debetta - Thank you Allan and all of you at Rewound Radio for producing the greatest radio station on the "air" these days! Just wish it could be on an AM clear channel station so I could get it on all my old radios off the air rather than having to use a small transmitter to pipe the station into them!

Dave Laird - Thanks for the great radio !

Dave Scott - I remember all of my selections going back to my childhood. I hope to bring more variety to the playlist.

Dave Shea - Thanks for another great year of "how good it is" music. Rewound Radio is the soundtrack to my many DIY projects, inside and out. And now that I'm working from home, it is often playing in the background while I'm thinking up new ad campaigns for the latest and greatest unpronounceable medicines for whatever ails you. Yeah, I'm one of those guys who writes the pharmaceutical ads that always have women doing yoga, couples taking in deep breaths on some picturesque hilltop and about 35 seconds of mandatory disclaimers. With a job that focuses all kinds of diseases and ailments I could be pretty depressed but I find that a healthy dose of Rewound Radio is just what the doctor ordered!!

David Bengle - Such a great radio show every year. Keep up the great work.

David Feinblatt - Once again, Thank you to the team for your incredible dedication for keeping this great tradition alive, year after year...

David Jaspen - Mike - THANK YOU for doing this!

David Oliver - Thank you again for running the ONLY chart worth bothering with!

DEAN Hernan - Thank you guys for doing this survey again..always fun looking at the results.

Dennis Picciurro - Thank you Mike for compiling this every year and for Allan for playing these tunes.

Dick H. - I love the oldies!

Don Adamo - Way too many choices! Thank you.

Douglas Schwabe - Happy Holidays Mike and Keep up the great work. I believe I mentioned expanding the list to 10 songs years ago and I am glad you expanded the requirements.

Dr. René T. Armstead - I can't wait to get the results between Christmas and New Year's! I love the 5th Dimension as you can see from my votes!

Ed Seckler -Impossible task but fun nonetheless.

Ellis Bromberg - Can't wait to hear this year's countdown -- a must-hear event every year! Thanks for doing this!

Eric - It was quick and easy to do this, as I have already ranked my personal Top 1000.

Evan Marcus - Mike, thanks for doing this year after year after year. It's great fun, and I always look forward to hearing it.

Frankie Dominguez - Thank you again for compiling this list. I like when you list all the songs that people voted for. Keep up the great work!

Fred Seebeck - Thanks so much, Mike, for keeping the memories of WABC alive. Happy Holidays!

Garry W Koop - Thanks for 24 years of fun!

Gary Pfeifer - Keep up the good work!

GARY PRIVRATSKY - We cannot shelve these great songs. Great music shouldn't personify ones age group. Even though I picked 10 songs that span from my grammar school- high school and early college days, I also have an appreciation for pop music from the WWII era, the 1950's and the 1960's. Thank you for Rewound Radio and God Bless!

George Arnold - Thanks for doing this every year.

Georgia Arvanitis - Excited...can't wait!

Glenn Rogers - Thank you for once again compiling this list. Regarding my vote for the song "Crazy" by Icehouse, I first heard it on CBS-FM on the Harry Harrison program as a new hit when my alarm went off one morning. Oddly, it was not a major hit and rarely played on any other NY stations. Still it remains one of my favorite songs.

Greg Barnett- Thanks for the ballot! Looking forward to listening!

Greg Morgan - Always a GREAT listen.

Hicksville Joe - Thanks for so many years of a great site. I grew up on Dan Ingram, Cousin Brucie and the other great DJs. Keep the site and Rewound Radio going, please!

Howard S. Luloff - I have always been a fan of MacArthur Park by Richard Harris. Even though it got a bad rap for so many years, there wasn't anything like it when it was released in 1968. WABC was the first station to play the song and its popularity spread to other stations all over th country.

Ian Berger - As I say every year, thanks so much for making this such a special part of the Holiday Season!

Ian Lory - It is great that this holiday tradition has continued for nearly a quarter century.

Irwin Gratz - Greetings from up north and thanks, as always for reminding us what great music this was, played by great disc jockeys on dynamic radio formats.

Jack Stearns - Mike, thanks for doing this every year. Brings back fond memories of listening to WABC in the 60s growing up in northern NJ.

Jayne Polaski - Thanks for continuing the annual holiday tradition. Fingers crossed that even one of my choices gets into the top 77. I altered my list this year to include my #7 choice, "Up Up & Away" by the Fifth Dimension in honor of my three-year-old grandson. (Apologies to "Build Me Up Buttercup"; maybe next year). This is currently his favorite song, which he listens to and sings every day, along with all the other classics on Rewound Radio.

Jeff Sherman - Thank you to everyone who painstakingly puts this together. Get sleep afterwards, ha ha.

Jim - Thanks for Rewound Allan.

Jim Cizinski - Top 40 radio in the 60's was a smorgasbord of different musical styles. By far the best decade for top 40.

John Troncelliti - The King Of Obscure songs has made his selections for the first time!

Joi Atkins - Mine are not on anybody's top ten list, mind you, as I vote for the rarely played ones that I have heard throughout the years and the ones I remember growing up hearing on AM radio; I vote every year for those that rarely get played and those that I remember very well rather than the ones that are more popular with listeners. Thanks for acknowledging my list for this year.

Jon Wolfert - Thanks, Mike. Always hard to pick 10, even harder to rank them. But here's some I like to hear! Looking forward to playing them on Rewound Radio.

Lee F Slutsky - My Dad turned me on to the oldies.

Lenny lempka - I listen to rewind all the time. It is a fantastic production with tremendous mix of songs and best of all no commercials. I also like the dj hall of fame and live shows. I grew up listening to WABC.

Linda McElmurry - Thank you Mike and Allan for the great jobs you do. I appreciate the hard work.

Lorne Massena - Thanks as always for all your efforts with this. You do an incredible job.

Matthew J Vandermast - It's hard to believe this is the 20th of these surveys for me. This wonderful world is filled with countless precious things. For me, this annual tradition you have worked so hard to create is one of them. The lists I have submitted through the years (and the two lists my late father submitted) bring back so many memories. And I still enjoy seeing (and if at all possible, listening to) the results every year. Thanks again, Mike! Happy holidays to you and to your loved ones.

Mckinley H Dollar - Many many thanks to Allan and everyone who works to keep Rewound Radio the best oldies (and jingles) station anywhere! One of the first things I do each and every morning is log on and tune into RewoundRadio. Keep up the great work! It's much appreciated.

Michi - What? no AKB48? (Just kidding!!!) Thanks for another great year of music and jingles!

Mike Meier - Thanks again, Mike, for all your hard work!

Mike S. -Thanks!!!! To Mike, Frank and Allan!

Mike Terry - I always enjoy this annual feast of music. Thank you. Mike Terry in Bournemouth, southern UK.

Mike Werries – Hard to pick just ten and rank them- these could move up or down. Didn't even think of Christmas, movie or show tunes.

Miriam - This is for Supremely super-fan Alexis, who left us too soon, but is still singing and dancing to these tunes in Heaven.

Paul Herman - I am starting to lose very important friends. Last month I lost two very special people eight days apart. Some of these songs keep their memories alive. The same as Brenda Lee's "All Alone Am I" which was on the chart December 19th, 1962, the day my Grandpa Eddie passed when I was 8 years old. I could easily replace that with Skeeter Davis' "End of the World", "Rhythm of the Rain" by the Cascades, "Walk Like a Man" by the 4 Seasons, and lastly "Puff the Magic Dragon" by Peter, Paul & Mary. My grandpa was Jackie Paper and I, to this day, is Puff.

Paul Piorek - Thank you for doing this every year.I sincerely appreciate it.

Sammy Pepper - Long Live 77 WABC New Yorkincredible music playlist from the 1960s into the 1970s....and the absolute best DJs in history!!!Those guys inspired me to get into broadcasting. I'm now in my 52nd Year playing the hits & broadcasting in the personality driven style of Dan, Bruce & Ron....

Scott Howitt - Thanks for the chance to help my favorites advance!

Stephen Eric Simon - Thanks. Fun!

Stephen P Elders - I look forward to an emailed copy of the final list.

Steve Thames - Nashville cats is worst rock song of all time!

Steve Zed - This took a surprisingly long time. I selected songs that are not usually heard on RR, maybe because they are slightly "out of format"; nobody needs to be the 3,493rd vote for "Vehicle".

Steven Green - Angel Of The Morning is the favorite song of my wife, Karen.

Steven Weiss - Thanks for the effort you expend to deploy and administer the Top 77 Voting.

Susan - Thanks to Mike Riccio and everyone who makes this music list happen. Wishing a happy and healthy New Year 2022 to all!

Warren Vandewater - Go Mike! Thanks for doing this.

Wesley Hyatt - This year I just selected the hits that give me the most joy when I hear them and make me want to sing along with them. Switched it up considerably from last year with six new entries, we'll see what happens.

Will McCue - Thank You for the great radio station, website and all the hard work you put into it, the quality shows! Rewound Radio has been a Godsend through these trying times. As someone who was just coming of age when The Big 89 went talk and listened to WJMK and WLS FM during the oldies years, it is great to have ALL the great songs in one place. PS. I love jingles, they are the icing on the cake for me and make Rewound sound even better. There are so many 60's, 70's and oldies streams nowadays, yet, not one of them, that I've found so far, has the variety and sound you have. Long live Rewound Radio! :-)

William A. Padron - Rewound Radio has become more fun and lively within the last year, particularly with its live shows hosted by Allan Sniffen, who has shown now a more engaging and truly increasing enthusiasm level, plus a true tuned-in musical groove and rhythm, with the songs that he plays on the air.

William Calcagni - Thanks for the great music!!!

Willie Pobox - I grew up listening to 77WABC in NYC. Loved the djs especially Dan Ingram. Loved the variety of music played and the extended time span of the songs. Wish I could find a similar station today. Loved listening to some old Dan Ingram shows on rewind radio. Thanks for the memories.

Indeed, "Thanks for the Memories"!
